

Hi

:

Date:

This is confirmation that _____ request for exemption from the sport gathering limits as it pertains to phase(s) **3** and/or **4** **is approved**. This exemption allows _____ to gather for training, practices, and competition to a maximum of _____ indoors / _____ outdoors.

In addition to the provincial public health measures, the organization must adhere to any measures implemented by the facilities in which they operate. It is the organizations responsibility to safely offer services, operating within provincial guidelines.

Please note that should there be changes in Public Health regulations that impact this exemption, the exemption may be modified or discontinued.

If additional information is required, please contact me.
