COMMUNITY AUCTION

On Saturday , April 7 a community auction was held at the Buffalo Club.

A hard working committee of people organized items to be auctioned off, sold tickets, food, and raised close to \$14, 000 dollars for extracurricular events and program for Island View High School.

A big Thank you to all volunteers, those who gave items for the auction, and those who came out and spent money to support Island View High School.

It was great to see so many future students in the crowd.

Thank you

Pat Savage

HOST AN INTERNATIONAL STUDENT

The Nova Scotia International Student Program, through the Halifax Regional School Board, is looking for families to host international students in their home. Our students come from many different countries around the world, and stay a duration of 3, 5, to 10 months.

This is a wonderful opportunity to expose your family to another culture, and help a visiting student adapt to our culture. Quite often the friendships developed from hosting an

International student, last a lifetime. Hosting an international student is a great way to show school support, and add valuable diversity to our community.

- Host families provide a private bedroom, 3 meals a day, and inclusion in family activities.
- Host families will receive a tax-free monthly stipend.
- NSISP provides hands on support from a local homestay coordinator throughout the hosting period.
- Students have a working knowledge of English.
- Everyone has the opportunity to share in cultural exchange.

The Nova Scotia International Student Program also holds monthly cultural events for the Students, and some events include invitations to host families.

If you are interested in the opportunity to host a student, and would like more information on

This wonderful experience, please contact, Melissa Alexander @ Malexander@hrsb.ns.ca

Sincerely,

Melissa Alexander

The Island View Bell Schedule for 2018-2019 has been finalized. The times were determined with consideration to transportation and other existing school schedules.

- Every Monday to Thursday will follow the same schedule and Friday's schedule will rotate.
- Friday's schedule will be on a rotating cycle, for example:

Friday, September

- week 1-Day A
- week 2-Day B
- week 3-Day C
- week 4-Day D
